Welcome!

Most Rev. Dr. Antonysamy Peter Abir

Apostolic Administrator, Archdiocese of Pondicherry - Cuddalore

Archbishop's House, Post Box No - 193, 206, Cathedral Street, Pondicherry 605 001. INDIA.

APOSTOLIC ADMINISTRATOR'S MESSAGE

Prayerful Greetings in the name of Child Jesus who is one among us, who is our Leader and role model in reaching out to the peripheries!

I am very happy to offer my wishes to Pondicherry Multipurpose Social Service Society- PMSSS, the official social service society of the Archdiocese of Pondicherry-Cuddalore publishing its annual report for the year 2020-2021. The annual report opens up another chapter of yeoman service in the field of socio economic development for the poor people. The board spectrum of activities and their success rate speak volumes about dedicated work taken up by members of PMSSS under the leadership of Rev.Fr. C. Joseph Arumaiselvam, Executive Director of the organization is marching ahead lighting smiles on the people who live at peripheries and people exploited by the selfish society.

It is my pleasure to commend that the annual report which highlights the critical work and many successful initiatives undertaken during the COVID-19 Pandemic years.

Last two years, COVID-19 shattered the lives and livelihoods of the millions all over the world especially in the third world countries and developing nation like ours. In this most desperate situation, it is always challenging to serve the under privileged and disadvantaged communities. PMSSS with dedication and much courage did a wonderful service in 2 districts of Union Territory Puducherry namely Pondicherry & Karaikal and 2 districts of Tamilnadu, namely Villupuram & Cuddalore. The lives are saved, the livelihoods are restored, the hopes are shared and that is all made possible by the efforts of PMSSS and the generous contribution of the Donors.

On this achievement I wish to thank the advisory board members for their time and expertise and the dedicated staff who gave a great deal of time and put in much effort to fight against this infectious covid-19.

I once again congratulate the staff & members of PMSSS and wish them more and more success in years to come in caring the underprivileged by going to the peripheries as our Pope Francis often exhorts us to do so.

Finally, I would like to appreciate the earnest cooperation and support from allied NGO's, Government Departments, including local self-government authorities, who involved in the implementation process and effective cooperation.

Yours fraternally in Christ,

Most Rev. Dr. Antonysamy Peter Abir

Case study 1 :

Child Subashini T (00543/ 100007772) has been the beneficiary of child development project for the past 16 years. Now, she has completed Bachelor of Technology (B.Tech). Since her parent 's economic condition is not sound, her maternal uncle taking care for the basic needs of her for many years. As a sponsored, child she attended many awareness programs, life skill programs and a member of youth club. She also received small amount of DF every year. These helped her to have overall development. In addition to this, with the support of project, she did tailoring course and received certificate. Through project she received food basket & hygiene kit during covid-19 lock down period.

The project has budget for child/youth towards business support and she applied for this. After proper scrutinization, she was selected to receive sewing machine, based on the economic condition and as semi orphan. Then she received sewing machine and started stitching as she has prerequisite skills. As she has enough time during this covid-19 lock down period, she stitches, blouse, chudithar and earns Rs.100/- to Rs.200/- per day. This helps her and her mother to manage the day today expenses. Previously she and her mother have to depend on her uncle's help. They feel very embarrassed to ask him and some time they have to bear with unnecessary words from him.

Now, this income really help Subashini and her mother to meet basic needs to some extent during this covid-19 crisis. From this income she does small savings for higher studies and buy materials for tailoring job. Subashini tells, "The support from the project in the form of a sewing machine really helps me as a livelihood support before I could find a job based on my educational qualification and tailoring job is an alternative source of income always". I thank CFI & PMSSS for the great help.

Case study 2 :

E. Santhosh (00735/100020415) is an enrolled child of Child Development project for the past 17 years implemented by PMSSS since 2014 and supported by ChildFund India. He lives with his parents, elder sister and younger sister. His father is working as a Peon in a private company. His father's income is not sufficient to manage the entire family needs. His mother is a house wife and taking care of the children. Family's economic condition is very poor. The child Santhosh E is affected by Dyslexia (Learning Disability) & Heart Problem. His father has to spend for his treatment too.

The child Santhosh is doing 2nd year Diploma in carpentry and his elder sister got married and settled with her husband and his younger sister is doing 1st year Bachelor's degree in Economics. He is a member of Udhavum Karangal youth club of TN Palayam initiated by the project where the members are able to address social issues of their community and resolve them. During the COVID 19, TN Palayam youth club members distributed awareness notice on the adverse effect of Corona Virus to their community members and facilitated precautionary measures for COVID 19.

During the COVID 19 lock down, his family suffered a lot. His father was able to manage the family needs to some extent only, for some days only. In addition to this he has to pay the debt incurred for daughter's marriage (Santhosh's elder sister). His family unable to receive the relief of Rs. 2000/- given by the government as the amount was transferred to his deceased mother's (Santhosh's grandmother) account. Hence, he had to pledge the jewel to manage basic needs. As the lock down has been extended, his family suffered a lot without income.

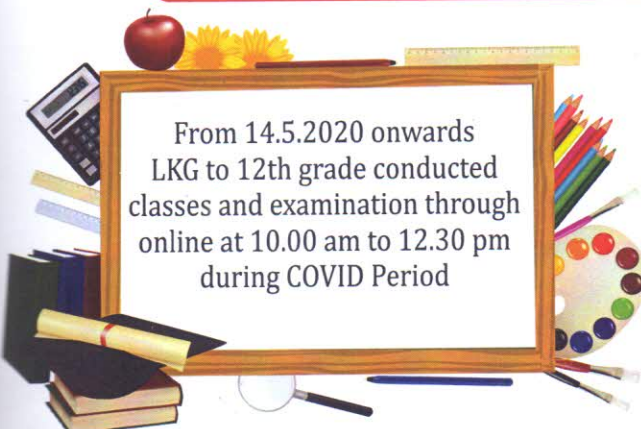

At this juncture, Child Development Project implemented by PMSSS, distributed COVID 19 response kits such as food basket (Rice 8 kgs, dhal – ½ kg, oil – ½ kg, sugar – ½ kg, iodised salt – 1 kg; turmeric powder – 200 grams, chilli powder – 200 grams and tea powder – 4 packets) and hygiene kit (hand sanitizer – 1 no; mask – 4 nos ; soap – 2nos ; bleaching powder -250 gram and detergent – 2 nos).

Santhosh's father told that, "I feel very happy that, we received this support at right time, not only this, I feel that, there is someone to help when we are in need". He also added that the groceries given will help us for some days to make food and hygiene kit to protect us from diseases. He thanked PMSSS, CFI for the timely help.

PMSSS with the support of Usha International Ltd., New Delhi has been implementing Usha silai schools project in Puducherry of Puducherry District, Cuddalore, Villupuram and Kallakurichi Districts of TamilNadu since 2013. The main objective of this program is to promote women entrepreneurs who know basic tailoring skills thereby enhancing their life style and livelihood.

During Covid 19 pandemic period, the Silai Schools were not functioning due to the lockdown announced by the Government. As a result the livelihood of Silai School teachers became a big question mark. At this juncture, the Silai School teachers decided to stitch mask for their livelihood. Then, Usha International Ltd along with PMSSS shared IEC material through whatsapp to the Usha Silai School teachers. The Usha Silai School teachers lobbying with Government and other institutions stitched masks with the help of guide supplied by Usha International and earned something for their livelihood. In total 45,850 masks were stitched through all Silai Schools and each mask was sold from Rs. 5 to Rs. 15/-. The silai school teachers distributed masks on free of cost to the elders and frontline workers in their areas. Through selling of masks each silai school teacher was able to get income ranging from Rs. 250 to Rs. 6250/- during Covid 19 pandemic period.

On 23rd June 2020, 7 silai school teachers sent a filled in form to Usha International Office regarding necessary developments required through google forms.

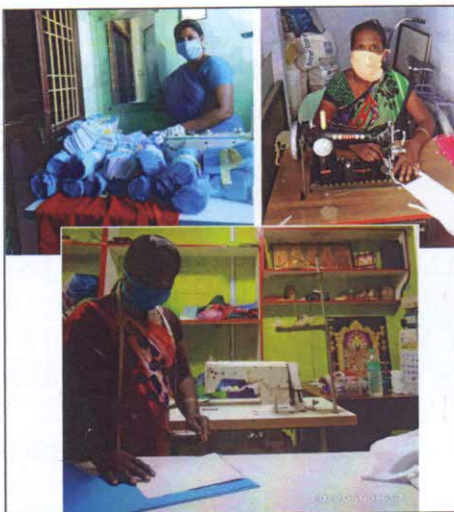

In September 2020, Usha International Ltd., in coordination with Confederation of Women Entrepreneurs (COWE) collected information of the silai School teachers for E-marketing. Based on the information collected an E – market portal was created for the Silai School teachers Mrs. Metilda Mary- Eraiyur , Mrs. Irudhayamary – Thiruvandarkoil and Mrs. Sopia, Melvizhi in the first phase. Through this E-portal the Silai School teachers received orders and the average income for a dress is upto Rs. 1500/-.

In October 2020, Usha International Ltd., has planned to create a whatsapp group for all the teachers of Silai Schools. The whatsapp numbers of Silai School teachers with their consent sent to Usha International Ltd.

A virtual call was conducted on 9th November 2020 regarding the functioning of Usha Silai Schools, future of the schools and networking. The representatives of Usha International Ltd., Mrs. Mary Rupa Tete, Vice President, Mr. Alok Shukla, General Manager, Mr. Vadivelan Perumal, Coordinator and Rev. Fr. C. Joseph Arumaiselvam, Executive Director of PMSSS were present during discussion. PMSSS Executive Director interacted with them about the functioning of silai schools especially during the Covid 19 pandemic period. The Director also informed the Usha team that there is no feasibility for networking with Government and non-Government departments.

To enhance the income of the Silai School teachers, Usha International Ltd wanted to support them through Rural Business Division (RBD), an another unit of it. According to this plan the Silai School teachers will sell the products of Usha like ceiling fan, table fan, LED bulb, Iron, Mixie, Grinder and other products through this school. Income from the sales of these

products will be paid to Usha International Ltd. The teachers can have the profit. This program mainly focuses the income to the teachers but not commercially. Before starting up of this project, on 29th & 30th January 2021, a field visit was done by Mr. Balakrishnan, Senior Sales Manager of RBD, Mr. Uthirakumar, Assistant, RBD and Mr. Vadivelan Perumal, Coordinator of Usha International Ltd. They had discussion with the Executive Director of PMSSS and explained about the objectives of the project. In addition to this, they explained the objectives to the Silai School teachers and asked about their consent.

In continuation to this project activity, during February and March 2021, 10 Silai schools teachers from Villupuram and Kallakuruchi Districts and 7 Silai School from Cuddalore District were linked to RBD project. As a first phase 2 ceiling fans, 2 table fans, 10 LED bulbs, 2 Iron box and 1 mixie were distributed to each silai school. As per the guidance from the RBD staff each silai school teacher sells the products and earn an additional income of Rs. 2500/- to Rs. 3000/-. Every fortnight the RBD staff visits the schools and discuss about the sales, demand of the products and based on the need, the staff supplies products to the schools.

As per the facilitation of Usha International Ltd., Mrs. Kalaiselvi, the master trainer conducted training to women of Ariyalur district from 11th February 2021 to 19th February 2021 to start 10 new silai schools. Mrs. Kalaiselvi received Rs. 6300 as training fee.

During December 2020, silai schools were reopened but only few students came to the schools. At present 650 women taking part in the training in all districts.

Outcome / Developments :

- ✓ During pandemic period the school teachers got income from selling masks to Government and private institutions.
- ✓ Usha Silai School teachers get income to some extent even during the crisis.
- ✓ Usha Silai School teachers gained confidence that apart from regular income from the schools they can earn from selling other products.
- ✓ The school teachers are facilitated to do marketing as per the need of the hour.

Case Study 1 :

Ms. Selvarani, hails from Pennadam village at Cuddalore District, age 38. After Selvarani's birth, father left their family to fend for themselves and his whereabouts are unknown till date. Selvarani was brought up, along with her 4 siblings taking care of her mother. Her mother shifted to her natal house and there she was supported by her brother; and also earned some minimal income through daily wages that she earned as a Coolie. Her family is economically backward. Selvarani has completed 8th grade and she did not continue the education due to her family situation. Then, she enrolled herself in a tailoring course of 6 months. After her course, she became a teacher at a tailoring school and worked there for 2 years –and she earned around Rs 300-500 initially. Her brother earned around Rs 7000 – 10,000 every month. Through this income, her mother managed the family needs. Selvarani is planning to open the shop for their skill.

PMSSS distributed the circulars about Usha tailoring training to the churches in their service areas. The Priest of church shared this message during Sunday mass. After hearing this she came to Puducherry and joined 7 days residential training conducted at PMSSS training centre, Puducherry. Through this training she learnt about types of blouse, chudithar through paper pattern and cutting methods, embroidery and sewing machine service techniques. After the completion of the training, she got USHA tailoring machine, certificate, advertisement board and established USHA at her residence on 5th April 2016. So far 102 women completed tailoring training. She charge Rs. 500 as course fee. Now she earns Rs. 6000 to Rs. 8000 per month through

stitching. Through this income, she is able to run the school, educate the sibling children's and meet the family needs.

"It would have been difficult for me to survive without tailoring. I have gained respect and trust within my family and community through Usha Silai School. I have become a role model for several women in my community, thanks to USHA and PMSSS."

Case study 2 :

Mrs. Sophia, age 37, native of Melvazhi in Villupuram district. She studied up to 5th grade and could not continue the education after her mother's demise. Her father is a mason. Sophia has an elder sister and a younger brother. The income of the father is not enough to meet the basic needs of the family. At this juncture, her father remarried and has two sons. Then it is difficult for the father to run the family and education to the children is a big question mark. She does domestic chores till she completes 15 years of age. Meanwhile her elder sister got married and settled in Bangalore. With the support of her elder sister she finds a job in Bangalore and earns Rs.1500/- per month. She learns tailoring during weekends. Then she got married and went to Mumbai with her husband where her husband works as a lift mechanic.

Her husband is not sufficient to run the family, working a tailoring and earn Rs. 4000 as monthly income. At this situation, her husband died of heart attack when she was pregnant, her husband family as no one to support her. Then she came to her village and lives with her parents. She did not want to trouble her parents, she is working tailoring job nearby village with Rs. 300 income.

Sophia came to know about Usha Silai school through the village president. She came to Puducherry and attended 7 days residential training at PMSSS training Centre. She learnt how to stitch different types of blouse, kurti, children dress and embroidery. In addition to this she learnt paper pattern and sewing machine service. After the completion of the training, she got USHA tailoring machine, certificate, advertisement board and established USHA silai School at her residence in 2014. So far 134 women completed tailoring course. She charges Rs. 500 to Rs.1500 as course fee. Now she earns Rs. 15000 per month through stitching. She has been promoted as Master trainer for imparting Usha silai school curriculum to others silai school. She is also part of fashion label program. Also she is getting job order and gets additional income.

This income helps her meet her own needs like school establishment, family needs, child education, savings. She also purchased a piece of land and constructing house at the old house site of her parents. PMSSS-Usha Silai School opens up a successful chapter in my life where I could face the challenge with confidence and lead a life with hope.
